

## Minutes of the June 2004 Fun Time Virginia Aero Nuts RC Club Meeting

- The meeting was called to order at 9:09am by Shelley Moore.
- **Visitors-** None
- **Communication-** Shelley told us about a new airplane that was offered by Aero Craft. It was a 40 size ARF and was called the Fiasco. From what I recall, if you buy one of these planes you were to tell them the name of the club that you belong to and they would put your clubs name in the hat for a drawing that was going to take place on September 1<sup>st</sup>. The club drawn would win one of these ARF's
- **Reading of the May Minutes-** Robert read the minutes from the May business meeting. Jess Robertson made a motion to accept the minutes as read. Rob Turner seconds the motion. The motion was passed by those present.

### **Treasurers Report-** Robert gave the treasury report

Rob Turner made a motion to accept the treasurer's report and it was second by Larry Tadlock. The motion was passed by those present.

- **Old Business-**
- Shriners Pork Festival- Jess Robertson was still waiting for some additional information on this event. He would have more information next month.
- Porta John- The club has paid for another months rent on the porta john.
- Car Port / Shelter- At the moment, the club is really unable to purchase this item. The price of steel has gone up and so have the carports. At the moment, the club really can't afford one. We discussed Larry's contribution to the club from his work place. At the moment, we are not eligible to receive this contribution but may be able to receive it next year.
- Field Search- Shelley did give a report on our field search efforts. The group heard that we had found a possible flying location in Petersburg. Rob Turner had some pictures of the place on his lap top and they were shown to the group. After some discussion, Jess Robertson made a motion that the club pursues this location for club use. Larry Tadlock seconded the motion. All members were in favor of the motion. Everyone was also in agreement that if the land lease agreement looked ok to all parties, we were to register this field with the AMA as an additional flying site for our club.
- **New Business**

- There wasn't any new business to report.
- Club Time- Robert and Rob brought everyone a CD that they had made . There were six hundred and some pictures on the CD that were taken at the Joe Nall event this year.
- There wasn't any further business so Rob Turner made a motion to adjourn and it was second by Dave Wright. We were dismissed at 7:?? am.
