

August 2005 Meeting Minutes

President Rob Turner was unable to attend this meeting so Vice President Larry Tadlock called the meeting to order at 9:01 AM.

There were 10 members and 0 visitors present.

Communications

- Rally of the Giants in Danville VA. August 25-28
- Virginia EAA fly-in at the Petersburg/Dinwiddie Airport October 1 & 2 with a flight demo by the Hanover RC Club.

Minutes

- John Walker read the minutes from the July meeting. Joe Manno made a motion to accept the reading and it was seconded by Rodney Tolley. The members present passed the motion.

Treasurer Report

- There is still an outstanding check that has not been cashed.
- Rodney Tolley made a motion to accept the treasury report and it was seconded by Joe Manno. The members present passed the motion.

Old Business

- The club mower is ready to go. If you haven't gotten to see the new face of the mower, go by the field and take a look.
- There are 5 new plane stands at the field giving us a total of 9 now. A couple of them are shorter on purpose for those with the larger scale planes.
- Joe Vest put shingles on the roof of the frequency/impound board.
- The port-a-john is on site and ready for use.
- Saturday August 20, 2005 is the next scheduled club fly in.
- Open house fly-in will be by October 8th & 9th 2005. We are going to get flyers posted in some of the local hobby shops. We may schedule a work day at the September meeting to get the field ready for this event.
- Bruce Hutchinson made a motion that was seconded by Rodney Tolley to pay Larry Tadlock the additional money that he spent when buying the food for the club fly-in July 24th 2005.
- Rodney Tolley is still waiting on info about what, if anything can be put on the power lines to make them more visible.
- Robert Vest was unable to contact the RCer's that fly on their private land close by. Dave Wright said he talks to these guys now and then and said he would try to contact them.
- Dave Wright mentioned about lengthening the runway by making a couple extra passes with the mower when cutting. This will help move it farther from the lines. We are going to get with the staff at Full Circle before moving forward with this.

- Willie Jackson made a motion and it was seconded by Dave Wright to have the remaining membership cards mailed out. John Walker will get these out during the upcoming week.

New Business

- We would like to get the entire membership involved in the club. It was suggested during the meeting about switching the meeting day to help boost attendance to the monthly club meetings. I will send out a note to everyone so they will have some time to toss this around before the September meeting.
- Prospective new member Craig Brown was presented to the club for membership. John Walker made a motion to accept him as a new member and it was seconded by Bruce Hutchinson. The motion was passed by the members present. Welcome to the club Craig.

Club Time

- There was nothing this month.

Adjourn

- Bruce Hutchinson made a motion to adjourn the meeting and it was seconded by Zane Davis. The members present passed the motion and the meeting was adjourned at 9:37 AM.
