- Membership Renewal- Renewal for 2005 is due by the last day of March. We need your renewal on time please.
- John Walker asked about the possibility of the club getting a Post Office Box. This way, we can put the PO Box address on the clubs paper work and checks. Then, regardless of who the president, secretary or treasurer is for the club, the address on our paper work would not have to change. After some discussion, Larry Tadlock made a motion that Robert Vest and John Walker look into getting a Post Office Box and that they be able to spend up to \$50 to get a box for 1 year. Rob Turner seconded the motion. The motion was passed by those present.
- The visitor, Jose was presented to the club for membership. Bruce Hutchinson made a motion to accept Jose into the club. Larry Tadlock seconded the motion. The motion was passed by those present.
- Club Time – Shelley brought a nice jet to the meeting. It was a scratch built sob J37 Vigen. He used Zirolis plans to guide his building skills. There being no further business, Rob Turner made a motion we adjourn. Dave Wright seconded the motion. The motion was passed by those present.
