Treasurers Report-

Shelley Moore made a motion to accept the treasures report and it was seconded by Larry Tadlock. Motion was passed by the members present.

- **Old Business-**
- We were reminded what the combination was for the front entrance gate to the facility.
- Rodney Tolley was checking into getting some aviation marker balls installed on the power lines at the end of the field. He stated that he had talked to a couple people and it may be possible. Further checking is required.
- Local RC flyers that fly at their home which is very close to our field- Dave Wright talked to the individual about this and what can be done so we all don't have any problems. Dave said that the individual stated he would not raise his antenna on his transmitter and that we would not have any problems. Dave asked him to come out and fly with us.
- IMAA Chapter – Shelley was checking into what it would take for us to become a IMAA Chapter. Shelley stated he thought it would be a good idea to form a new chapter. Larry was asked if he would get the registration form for this so we could so what was required. The group was interested.
- **Open House** – There was some discussion about the open house. It was decided to get a group together to discuss this. We would discuss what needed to be done and

see that the task is assigned to someone to take care. We want to have everything covered.

- **New Business-**

- Field Work Day – It was discussed that there were things that needed to be done. Grass needed to be cut, some dirt needed to be spread and weed eating needed to be done. Need to try and get a group together to work on these things.
- Club Time – No one had anything to share with the group for club time.
- There being no further business, Larry Tadlock made a motion to adjourn which was second by Raymond Vest. The motion was passed by the members present. We were dismissed at 9:23am
