

Minutes of the November 2006 Fun Time Virginia Aero Nuts RC Club Meeting

The meeting was called to order at 7:00pm on Nov. 2, 2006 by Dave Wright.

Visitors:

- There were 13 members and no visitors present.

Communication:

Dave had the following communications to relay to the club.

- The recent "Dog Day" showed 6 members & 3 visitors. All had a good time.
- The overhead shelter has been installed at the field.

Reading of the October Minutes:

- Charlie Fasano read the October 2006 minutes. John Walker motioned to accept the minutes, as read. Shelley Moore seconded the motion and it was passed by those present.

Treasurers Report:

- Rodney was not present and there was no current treasurer's report, however the following balances were given:

Old Business:

- Open House attendance was poor on Sunday – mostly because of the cold windy weather. But those that did brave the weather had a great time.
- There are give away and door prize type items left over from the open house. They are to be kept in storage until the next fly-in and then used for that one.
- Charlie Fasano talked about grass cutting. He wants to come up with some system or plan for sharing the workload of keeping the grass at the flying field cut and in good shape. Nobody had any good suggestions. So, the suggestion was continued until next meeting.

New Business:

- A suggestion was brought up to have a field work day to tidy things up. It was scheduled for the first Saturday in December, 12/2/06 at 10:00 AM. Bring rakes, shovels, weed eaters, and strong backs.
- The Annual Christmas Dinner was discussed and set tentatively at Brother Pizza. Dave will check on it and exact time and date will be announced on the club web site.
- Shelley made the suggestion to amend the club by-laws to allow the election of club officers sometime in the fall rather than March. The purpose of the amendment is to bring the club's operating procedures in closer alignment with the reporting requirements for the State Corporation Commission. It was agreed that Shelley will write up the proposed amendments and present them at the January 2007 club meeting.

New Member

- Ian Theriot, a soldier on temporary duty at Ft. Lee was presented to the club, (in absentia), as a special case member. Ian is only going to be here for about 6 months and then he will be off to the Middle East. It was agreed by those present that we would accept Ian's membership application for a 6-month period of time for \$50.00. John Walker made a motion to accept Ian as a Funtime Virginia Aero-Nuts Member. Willie Wilcox seconded the motion. Welcome to FVA, Ian!

Club Time:

- Charlie talked briefly about safety at the field. A lot of safety is nothing more than common sense. Keep the airplane pointed away from people. Also, when flying, avoid flying toward the pits. Make turns away from the pits at distances far enough away to allow time to correct mistakes.

Adjourn:

With no further business on the table, Bruce made a motion to adjourn the meeting. The motion was seconded by Willie, and passed by all present. The meeting was adjourned at 7:40PM.
