Jimmy made a motion to accept the treasurer's report as read. Ron added the 2nd. And, the motion was carried by those present.

Old Business –

Dave is going to be building some new club trainers. He plans to invite club members who wish to learn to build in to help with the process. The idea is that some guys have only known ARFs and have never seen an airplane built from scratch. We would like folks to see and help with this project so they will be better equipped to build an airplane, or repair one. Dave will send out an email when the wood comes in and he's ready to start the building.

New Business –

Dave has decided he will take charge of the grass cutting detail and is looking for a team of volunteers.

New Member Confirmation – None to be confirmed.

Club Time - Nothing to present

Adjourn - Jimmy made a motion to adjourn the meeting. John added the 2nd. And, the motion was carried by those present. The meeting was adjourned at 9:25AM and people promptly fired up the airplanes and went flying!
