

June 2008 Meeting Minutes

President Gene Hudgins was unable to attend.

Vice President Jimmy Sculthorpe called the meeting to order on June 7, 2008 at 9:00 AM

There were 6 members and 0 visitors.

Communications

- A flyer was passed around the room with several RC items for sale from a friend of Shelley's. I will work on getting a list of some kind posted on the web.
- Due to a miscommunication no meeting was held in May

Minutes

- John Walker read the minutes from the April 2008 meeting.
- Dudley Walker made a motion to accept the minutes as read and it was seconded by Dave Thomas. The motion was passed by the members present.

Treasurer Report

- Dudley Walker was gave a breakdown of the club funds as follows since April.
- Johnny on the Spot is still being paid two months in advance.
- John Walker was reimbursed for the fruit basket sent to a club member.

Field Report

- The Safety Officer Robert White could not attend this meeting. Jimmy informed the members that the field was still in very good shape. Things with the netting and other items are holding up well.

Old Business

- Dave Wright is still working on the 2.4 GHz pins for the frequency board.
- Dave Wright priced to have an addition added to our carport and the estimated cost was \$????.
- Jimmy Sculthorpe and Rob Wood will look at prices for a plastic storage shed and report back to the club at the July meeting. This will have to be cleared by Full Circle before a decision is made to purchase.
- The grass cutting schedule is posted on the web.
- The new safety rules have been posted at the field on the back of the frequency board.
- The "Thank You" card for Pat and Dave Thomas' neighbor who donated the bag of grass seed was sent.

New Business

- The old reliable white club trainer plane bit the dust. Well actually it hit a train and lost. Dave Wright suggested going with a cheaper ARF which could be built

in a lot less time. This was discussed and approved. Also the 3 trainer planes currently under construction will be offered for sale first to the members for \$???

- We are going to schedule a fun fly on July 4th at Full Circle. We will wait and see how many show up and may end up getting some burgers and dogs and grill out.
